Subject: Application for Full Stack Web Developer Position.

Dear Hiring Manager,

I am writing to express my interest in the Full Stack Web Developer position at ABC Corporation. I am an undergraduate student currently pursuing a BSc. in Computer Science and Engineering at Khulna University of Engineering & Technology. With one year of hands-on experience, I bring strong skills in HTML, CSS, JavaScript, React, Node.js, and MongoDB.

I have successfully completed 15 full stack projects, including an event management system, a lawyer appointment booking application, and a volunteer management system website. These projects reflect my ability to develop scalable, user-focused web applications that deliver real value.

Thank you for considering my application. I have attached my resume for your review and would appreciate the opportunity to discuss how my background aligns with your team's needs.

Sincerely,
Md. Ramjan Ali
